Election/Restrictions

1. Newly submitted claims 69-96 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: The newly proposed invention claims (updating an application to a mobile device) are completely distinct from previous claimed invention claims (client/server communication) already addressed in the application.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 69-96 is withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

2. The amendment filed on June 11, 2001 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the applicant presents claims directed to an invention distinct from and independent of the invention previously claimed.

Art Unit: 2683

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
